Table of Contents

Fungicides - Cereals (Continue)

Barley Seed Treatments.....	85
Barley Fertiliser Treatments.....	86
Barley Foliar Treatments.....	87
Oat Seed Treatments.....	88
Oat Foliar Treatments.....	89

Fungicides - Pulse Crops

Canola Seed Treatments.....	90
Lupin Seed & Foliar Treatments.....	91
Field Peas Seed & Foliar Treatments.....	92
Chick Peas Seed & Foliar Treatments.....	93
Faba Beans Seed & Foliar Treatments.....	94

Foliar Fertilisers

Trace Element Foliar Fertilisers.....	95
---------------------------------------	----

SECTION 18 SEED SET CONTROL

Spray Topping Pastures.....	96
Crop Topping in Lupins.....	98
Pre-Harvest Desiccation.....	100

SECTION 19- APPLICATION/SPRAY TECHNOLOGY

Spray Water Quality.....	101
Using Ammonium Sulphate.....	104
Decontaminating Spray Equipment.....	105
Spray Condition Guide.....	106
Spray Nozzle Guide.....	107
Spray Selection Chart.....	111

SECTION 20 - SPRAY DECISIONS

Pesticide Conversion Factors

Component Rate Table.....	112
---------------------------	-----

Crop Plant Back Periods - Days.....

- Months.....	114
---------------	-----

Compatibility Charts

Herbicide Mixtures.....	115
Herbicide/Insecticide/Trace Element Mixtures.....	116
Compatibility of Grass Selective and Broadleaf Herbicides.....	117

SECTION 20 - SPRAY DECISIONS (Continue)

Compatibility Charts (Continue)

Trace Element Compatability.....	118
Fungicide Compatability.....	119
Physical Compatability.....	120

Varietal Tolerance to Herbicides - Wheat.....

Lupin	123
Barley.....	124
Field Pea	125
Pasture Legume	126

Economic Weed Control Thresholds

General Notes.....	130
Grass Weeds.....	131
Broad Leaf Weeds.....	132

Economic Insect Control Thresholds

Aphids and Budworm.....	133
-------------------------	-----

Cereal Growth Stages and Phenoxy Herbicide Use

Cereal Growth Stages - The Decimal Code.....	134
Key Wheat Development Diagrams.....	135
Wheat Development and Phenoxy Spray Periods.....	137
Phenoxy Herbicides in Cereals (Rates & Timing).....	138
Phenoxy - General Information.....	139

SECTION 21 - MISCELLANEOUS

Tree Herbicides.....	140
Identifying Grasses.....	141
Herbicide Groups (Modes of Action).....	142
Pesticide Formulation Codes.....	145
Broadacre Herbicides.....	146
Broadacre Foliar Insecticides.....	157
Broadacre Foliar & Fertiliser Applied Fungicides.....	160
Broadacre Seed Applied Fungicides / Insecticides.....	162
Solubility/Mobility of Soil Active Herbicides.....	164
Order of Mixing Pesticides and Adjuvants.....	165
