## PROFESSIONAL EXPERIENCE

### **AquaSpy Inc/Agrilink**

Executive Chair responsible for major changes to Agrilink as an Australian soil moisture company to a US based Water Management company. Achieved through a patented design for new sensors and telemetry suitable for agriculture, turf and golf course markets. Raised over \$25m in venture capital to execute.

### **CCN/Cabcharge**

Managing director of CCN (ASX:CCZ). Major transport company and despatch call centre listed on the ASX. Managed the company prior to selling to Cabcharge at an 18% premium to shareholders.

### **Simoco Pacific (Philips Mobile)**

Regional managing director. Radio communications company manufacturing and distribution responsible for Australia, New Zealand, Hong Kong and Singapore.

### **BAE SYSTEMS Australia**

Deputy managing director responsible for all development projects covering 80 projects and more than 3,000 staff. He was also chief company negotiator and head of sales and marketing during his tenure.
